For Your Information

Minimum order per breed of chick is 10 p/order.

The prices above are guaranteed when we combine everyone's order, and we meet the hatchery's minimums.

If we do not meet our minimum of 25 chicks p/breed, the cost will be:

 \$1.50 p/straight run layer chick for your order of < 25 chicks p/breed.

 \$1.75 p/pullet layer chick for your order of <25 chicks p/breed.

Please keep these POSSIBLE price changes in mind if you order less than 25 of any one breed of chicks !!!
